Message from Administration

It is hard to believe that February brings us to the halfway mark in our school year. While half of the year is over, many great things are ahead of us. This month students and staff are beginning their exploration of what it means to be a kind and loving person. Through our 'Kindness Week' beginning on February 12th, we are supporting the Cochrane Food Bank with our 'Love Your Neighbor' Food Drive. Special events with in-class devotions and FirePlace Chapel help our school community focus on caring for each other and standing up and doing what is right. Take time to talk with your children as these events occur about what they have learned and how this learning can be applied, not only in their lives, but also in their interactions with family, friends, and their community. It is a great opportunity to help our children understand who they are and gain a deeper sense of what it means to be a part of God's Kingdom. See below for more information about this special week and be sure to check the school calendar for dress-up day details.

In January, CCA hosted an Open House in preparation for the 2024-2025 school year. We had a great evening with our prospective families sharing with them about our Christian school. Thank you to the staff, students, and parents who made the evening successful. We had a strong turnout, positive feedback, and we continue to receive registrations for the coming school year.

In February, each family will receive a "Letter of Intent" which kindly requests parents to complete and return it to the school office, indicating their registration plans for the following year. Let us take a moment to express our gratitude for the abundant opportunities that lie ahead, and come together as a community to make the most of them.

The Kiss-and-Go is Good to Go!

KISS & GO

Now that the construction is completed on First Street, we encourage all parents to use the '*Kiss-and-Go*' drop-off in front of our school. First Street East is an excellent place to drop your children off in a safe and supervised location. We discourage families from using Powell Street as it is quite narrow and congested before and after school.

Thank you for your continued support and cooperation!

Food Drive

We want to give all families a heads-up about our CCA Food Drive. Each February we combine our Kindness Week and Food Drive as part of our 'Love Your Neighbour' focus. The **Food Drive starts Thursday, February 8th.**

CCA Reads

VectorStock®

VectorStock.com/15934030

Our home reading program, CCA Reads, is approaching the mid-year point. Some students have reached a hundred nights and those students will earn a coupon for a delicious ice cream. We are grateful for MacKay's and McDonalds for sponsoring the coupons. Keep encouraging your child(ren) to read every night!

Rightnow Media

CCA reminds parents that our CCA community has **FREE** access to an extensive, video library called **RightNow Media!** It's like the "Netflix of Video Bible Studies" and has a **HUGE** library of faith-based videos that you can access for free whenever and wherever you want—on your phone, iPad, computer, or at home on your TV.
