

# MERRY CHRISTMAS GREETINGS 2023

## Message from Administration

On behalf of all staff at CCA, we would like to wish all our CCA families a Merry Christmas! Have a marvelous Christmas time with your family and we look forward to seeing you all back on January 8th. Enjoy the photos of our Christmas Concert and the Skating Party below. Thank you for joining us for these special events and for your continued support of CCA.

CCA Administration

## Farewell to Mrs.Kachur

We would like to inform you that Michelle Kachur, our beloved CDA, will be leaving Cochrane Christian Academy. While this is very bittersweet, she has been offered an amazing opportunity, where she will continue to work with children, teens, and parents. Mrs. Kachur will be so very missed at CCA but we are excited about her next adventure. Feel free to send a thank you note or encouraging word via email as we know she will be blessed by this.

## Playground Incident Today

We wanted to make you aware that today while some students were playing outside, a man dressed in a Santa suit drove alongside our school and started tossing stuffed animals over the fence. Staff immediately came over to the area to support students. As a safety precaution, not knowing anything about where the toys came from, we will not be giving our students the stuffed animals. We talked to the students who were outside at the time and they are all OK (maybe a bit of disappointment!). Thank you for your understanding. Please let us know if you have any questions.
