Message from Administration

It's hard to believe we've arrived at the final month of the 2024/25 school year!

As we reflect on this past year, we're filled with gratitude. It's been a year full of change, and what a journey it has been. We've navigated it together, growing stronger as a community and continuing to shape CCA into a place where our vision in Christ comes to life.

We remember the start of the year, filled with questions, uncertainties, and faith-filled steps forward. And yet, time and again, God has shown His faithfulness. This year, we've witnessed incredible growth: in our students, in our relationships, and in our mission. We are so proud of how far we've come together.

Paul reminds us in 2 Corinthians 5:17 (NIV): *"Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!"* As followers of Christ, we rejoice in the promise of renewal. Our faith continues to anchor us as we step into each new season, trusting that God has more in store than we can ask or imagine.

May God's grace go before us as we celebrate the end of another beautiful year at CCA!

Blessings,

Richard and Josine

June's Field Trips

We are excited that June is filled with exciting adventures for students through many field trip opportunities. Teachers love our field trip volunteers! If you have offered to attend a field trip with your child's class, please ensure all of your documents are up to date and have been submitted to the office. That includes the following:

- Current Vulnerable Sector Check (completed at an RCMP detachment every 5 years)
- Annual Statutory Declaration (to be completed every school year at the office)
- Confidentiality/Non-Disclosure (to be completed every school year at the office)

Thank you!

Literacy and Numeracy Reassessments for Grades 1-3

Some students in Grades 1-3 who have been receiving intervention support in literacy and/or numeracy will be reassessed on one or more [provincial assessments](#) since late May to early June.

Please note:

1. **Not all students** will be reassessed.
2. **Kindergarten students** are not required to be reassessed.

3. Final data will be returned to RVS in August; your child's next-year teacher will have access to the information to make informed decisions about intervention supports needed.

Thank you for your understanding and support in our ongoing commitment to support student learning. If you are unsure if your child is being reassessed please reach out to their teacher.

Assessment at RVS: Numeracy and Literacy Interventions

Rocky View Schools is sharing a series of articles on the division website regarding assessments: the process of gathering data about student learning. This information is intended to help provide greater insight into why and when assessments are done and encourage ongoing communication between teachers and families to support student success.

School Council News – June Update

Here are a few important updates from your School Council as we wrap up the school year:

Subway Fun Lunch – June 13

Mark your calendars! Our final Fun Lunch of the year is coming up on Thursday, **June 13**.

Fun Fact: Each Fun Lunch raises an average of \$400, helping fund technology, field trips, and student incentives. While it's just a portion of what our school needs, every bit makes a difference—thank you for your continued support!

School Council AGM – June 12 at 6:30 PM

Our final School Council meeting of the year will take place on Wednesday, June 12 at 6:30 PM. We encourage all parents and guardians to attend as we reflect on the year, discuss upcoming plans, and elect next year's council.

Childcare will be provided, so feel free to bring your little ones!

Register Now...

To save on registration fees, Rocky View Schools (RVS) has opened transportation registration for the 2025/26 school year through SchoolEngage. Parents/guardians are encouraged to register by June 30 to receive a \$40 discount or by Aug. 1 to ensure bus service for the first day of school.

In response to rising costs, transportation fees have increased for the coming school year. A list of fees is available on the [RVS website](#). Families are encouraged to take advantage of the early

registration discount to offset some of the transportation cost. Eligible families may also apply to have their transportation fees waived by completing a Transportation Fee Waiver.

The June 30 early registration discount of \$40 is extended to each of the first two Kindergarten – Grade 12 students in a family, with additional students receiving \$20 off if registering early. A minimum payment of 50% is due at registration. Bus service may be cancelled up until Oct. 31 to receive a full refund for all fees paid.

Families are urged to register as soon as possible for transportation to ensure a smooth start to the fall. To guarantee service for the first day of school, registration must be received before Aug. 1. Students registered after this deadline may experience delays of two to three weeks before they can ride the bus.

A step-by-step guide to registration, fee information and more is available on the [Transportation section](#) of the RVS website.
