## Message from Administration

What a year of growth and grace it has been at CCA!

As we reflect on our second year in our new building, we are filled with gratitude for the ways our school community has continued to flourish. With more students joining our family, we are growing not only in numbers, but in hearts and minds as well.

Throughout the year, we have deepened our commitment to academic excellence, expanding career learning opportunities and continuing to strengthen our literacy and numeracy programs. Our students have thrived through hands-on learning, critical thinking, and creativity, all grounded in the truth of God's Word.

Beyond the classroom, our students have embraced opportunities to lead and serve. Whether participating in athletics, taking on leadership roles, or engaging in meaningful service projects, they are learning what it means to be servant-hearted followers of Christ. It is truly inspiring to witness their growth, not just as students, but as kind, compassionate, and purpose-driven young people.

This year has reminded us that our school is more than just a building; it is a living community where faith is nurtured, potential is realized, and God's love is evident in all we do. Together, we are building something lasting, something that will impact lives for years to come.

We are thankful for the unwavering support of our staff, families, and students. Your dedication, encouragement, and prayers have carried us through another remarkable year. As we look ahead with hope and excitement, we trust that God will continue to lead and bless our community in the years to come.

With gratitude,

*Richard Sampson and Josine van den Berg*
